

“20 ΧΡΟΝΙΑ ΕΚΔΟΣΗΣ”

Hellenic Section Ελληνικό Τμήμα

“Το μεγάλο ταξίδι”

*Τώρα που αρχίζει το μεγάλο ταξίδι
Δεν βρίσκω τι να πάρω μαζί
Πολλά χαθήκαν
Σαν στάχτες βιβλίων που κάηκαν
Σαν κεριά που λιώσανε
Σαν φύλλα που πετάξαν στον άνεμο
Σαν τις σταγόνες της βροχής στο χώμα
Σαν το χορτάρι του αγρού στο θερισμό
Σαν το φεγγάρι στα σύννεφα
Σαν τα' άστρα στο φως της αυγής
Τα' άλλα υπήρξαν μονάχα σκιές
Έτσι έπρεπε
Να περπατώ χωρίς δισάκι
Χωρίς ραβδί
Χωρίς δραχμή
Μονάχα Εσύ μέσ' την καρδιά μου Κύριε
Και στην ματιά η προσμονή και η αγάπη*

Φεβρουάριος 2015 - Σταύρος Ι. Μπαλογιάννης Ομοτ. Καθ.

“The long journey”

*Starting now my long journey
I can't find what to take with me
Everything seems to have disappeared
Like ashes of burned books
Like tears of melted candles
Like dead leaves in the storm
Like rain drops on the ground
Like weeds in the harvest
Like the moon in dark clouds
Like the stars in summer's downs
All others have been only shadows
It had to be so
To travel without a cane
Without a bag
Without a coin
Only the Mercy of God in my heart
Only the Light of the Cross in my eyes
Only the Sacrificial Love.*

February 2015 - Stayros J. Baloyannis Prof. emer

Information about the 4th International Medical Olympiad

The 4th International Medical Olympiad will take place on 3-5 November 2017 in Thessaloniki. In this Olympiad there will be a competition and prizes for the best original papers of social interest and another competition and prizes for answers to 3 research questions. Communication for the second competition can take place by surface mail. You and your colleagues may wish to participate and accept our hospitality. You may ask for more information and/or facilitations and receive the Information Booklet where all details about the two competitions are mentioned, through the mail of the Medical Olympicus Association: molympicus@gmail.com or our site: www.medolympicus.gr, or by phone: 0030 2310229133.
